AÇAÍ POWDER & OTHER PRODUCTS

100% pure organic extract powder

A New technology called the refractance window system, it preserves all the nutritional benefits of the açai, extracting the liquid from the berry through infrared lights, without using high or low temperatures. A concentrated 100% pure powder is created, full of nutrients, with strong purple colour and exotic taste. Can be used for food consumption and beauty therapy products.

Pure Extract	100 gr	500 gr	1,2 kg	4 kg
